## **REDEVELOPMENT PLAN VISIONING SESSION PRESENTATION**

Tom Banker explained to the Board that he was hired by the County of Somerset to examine the flood plains in the Borough. Mr. Banker outlined his background for the Board. He also informed the Board that he would be assisting the Borough with the rehabilitation/redevelopment project. Mr. Banker gave an overview of the proposal to the Board and public, which includes the relocation of some of the historic homes. Mr. Banker presented maps outlining the affected properties. He then explained the Area in Need of Rehabilitation project and outlined the initial project discussions which determined that the Somerset County Improvement Authority, would be the agent for the Borough, acting at the direction of the Borough. Mr. Banker outlined the processes that would take place, this would include Public Hearings with recommendations by the Board to Council for final adoption. Mr. Banker also explained what the relocation process would entail for the property owners. He expressed that the Redevelopment Plan would most likely be presented to the Board in the fall and if all goes well all agreements could be finalized by spring of 2010. Mr. Banker also explained some of the environmental, historical and other issues that could affect the timeline.

Ms. Halm asked Mr. Banker about his position as the Agent for the county. She also asked what role FEMA would have in this process. Mr. Van Dyke explained that FEMA could be a source of funding. Ms. Halm then asked if FEMA would have a positive or negative affect on the process. Mr. Van Dyke stated that this is something that is not known at this time. He also stated that SHIPPO would have the archeological studies done for historical purposes. Mr. Van Dyke also stated that an evaluation would have to be done by an architect on each home and property and reviewed by SHIPPO. Mr. Van Dyke

continued to explain the process. A discussion ensued. Mr. Banker further explained the processes and agencies involved. Mr. Banker also stated that the properties will not be required to relocate their properties, this is a totally voluntary process.

*On a motion by Ms. Halm, seconded by Mr. Roden, the Board opened the meeting for a public work session.*

#### **WORK SESSION**

Ms. Morris, Main Street, HDC member, clarified that the properties were being moved from one section of the historic district to another. The proposed relocation area is not a historic district. She also informed Mr. Banker that this process needed the approval of the HDC before any of the homes could be moved. Ms. Morris continued to express her concerns. Mr. Van Dyke explained that the best archeologist in the state will be hired to do the required studies for the Borough. He also explained what other professionals would be hired to work in the best interest of the Borough. Ms. Morris continued to express her concerns. The discussion continued.

While still in open session the Board opened a work session to discuss the visioning plan with public input.

*On a motion by Mr. Roden, seconded by Ms. Halm, the Board closed the meeting the public work session.*

Mr. Van Dyke handed out a memo of estimated costs for archeological, survey and planning services. A discussion ensued.

#### **APPROVAL OF MEETING MINUTES**

*On a motion by Mr. McDermott, seconded by Mr. Roden, the Board approved the June 23, 2009 meeting minutes.*

#### **REVIEW AND VOTE ON PROFESSIONALS' INVOICES**

Mr. Van Dyke explained his invoices and gave the Board a status of his projects.

*On a motion by Mr. Dorschner, seconded by Mr. Roden, the Board approved the June 2009 invoices submitted by Mr. Muller and Mr. Van Dyke.*

#### **DISCUSSION**

Mr. Dorschner asked the Board for input about putting Board documents on the Website. Mr. Van Dyke commented that the Land Use Code has not been codified and explained what needed to be done to make the Land Use Code user friendly. Mr. Van Dyke recommended updating the Zoning Map and adopting it. He also commented that documents could not be put on the website without being adopted.

Mr. Dorschner informed the Board that John Prudente resigned and the Mayor informed the Board that Mr. Roden was now a Class IV member

*On a motion by Mr. Roden, seconded by Mr. McDermott, the Board opened the meeting to the public. There being no public comment the meeting was closed to the public.*

The Mayor reminded the Board that the State required class must be taken by new Board members within 6 months of being appointed.
